23. **APPROVAL OF MUMTY ON 2<sup>ND</sup> FLOOR IN RESIDENTIAL BUILDING IN CANTONMENT AREAS KHARIAN CANTI.**

To consider a proposal for grant of permission for construction of mumty within Cantonment limits for the convenience of Cantonment residents. In this regard for the information of the Board construction of mumty on residential building is not clearly specified and as a result, due to continuous grievances of the residents of CBK reaching this office from time to time, spread of the mumty construction and to curb the trend strict possible measures have been taken by CBK, but keeping in view the trends in other Cantonment Boards, a proposal is placed before the Board to set a specific size for construction of mumty on residential buildings. The practice in vogue is being followed in different Cantonments which is essential for the buildings due to the reason that usually rain water damage the building structure. Later on the mumty size will be added to the existing Building Bye Laws as published vide Gazette Notification No. 227/60 dated 26-02-1960.

It is suggested that the matter regarding grant of permission for construction of mumty measuring 12x10x10 (Length-12, Width-10, Height-10) while approving new building plans within the Cantt areas in the best interest of Cantt residents.

The relevant papers are placed on the table.

**RESOLUTION** : Considered, the case discussed at length and the Board resolved to address the grievances of general public and the Mumty size in residential buildings as proposed is approved.
